

Steve Handelman  
Senior Sales Engineer  
Daikin Applied

Over 20 twenty years of HVAC design and sales.

Started Belimo Aircontrols in NY and developed Belimo to be the current high standard of air and water valve actuation.

Spent 5 Years at Baltimore Aircoil working with mechanical engineers and owners to specify cooling towers, heat exchangers and sand filters.

Started with Daikin AC in 2011 and worked to make Daikin the market leader in VRF/VRV technology and sales.
